Jo Lathwood: Making Up 20 Jan - 03 Mar

Opening our 2024, we are very excited to present Making Up by visual artist Jo Lathwood. In a world of growth and consumption, where the mantra 'onwards and upwards' is often at odds with environmentally friendly living, Lathwood will spend four weeks in residence developing, building, and deconstructing this site-responsive installation.

JANUARY HIGHLIGHT

Murder in the Dark
Tue 23 - Sat 27 Jan

What happens when the lights go out?

It's New Year's Eve, when a car crash on a deserted road brings famous but troubled singer Danny Sierra and his dysfunctional family to an isolated holiday cottage in rural England.

From the moment they arrive, a sequence of inexplicable events begin to occur... and then the lights go out... As the tension rises and deeply buried secrets come to light, you'll find nothing is quite as it seems. Murder in the Dark will have you on the edge of your seats until the final chilling twist. Are you brave enough to uncover the truth? Join us for a theatrical experience like no other.
